### **Team requirements**

All teams require a minimum of two anglers & a maximum of four anglers, any other persons aboard the vessel are not permitted to assist the competitors in any manner, including the setting up of fishing equipment entering the water, retrieval of fishing gear or equipment from the water, tagging of fish, rigging baits, rigging tackle or similar, the exception is a non competitor, who may drive the vessel during the competition times.

### **Tackle, equipment & rules**

Line is limited to pre test monofilament

Line class 10 kg minimum

Line class 60 kg maximum

### **Point scoring**

Marlin 1600 points ***(Must be tagged & photographed)***

Sailfish 750 points ***(Must be tagged & photographed)***

*\*Note - NSW Billfish tags to be used*

Record details of fish species, time and date on score sheets provided.

No fish will be weighed at the gantry, any fish returned to be weighed at the gantry will not be eligible for any points and/or any prize categories.

No measurement of fish is required except for personal satisfaction.

Any fish not tagged and/or not released, will be ineligible for tag points or prize categories.

Tagged fish are not required to equal line class.

All tackle and equipment must conform to the GFAA rules, the Committee reserve the right to inspect and adjudicate on any tackle or equipment used to capture fish during the tournament.

### **Radio schedules, channel 72**

In addition to other radio schedules the following will apply:

a) Hook up time to Billfish must be recorded and radioed in as soon as possible to Billfish base station on channel 72.

b) Billfish tagged: tag time is to be recorded and radioed in as soon as possible to Billfish base on channel 72.

c) In the event a team cannot raise Billfish base on channel 72, teams may utilise a satellite phone to contact Billfish base, Debbie and Leigh on 0412 848267, or alternatively the Darwin Trailer Boat Club on 8981 6749 and request to speak to Leigh or Debbie Halprin to provide information.

d) Relaying of information to another competition vessel is acceptable under the condition that the relay vessel forwards the information to Billfish base via channel 72 or satellite phone. **\*\*Note-** The onus is on the vessel that hooks and tags a Billfish to ensure their information is received by Billfish base **each day**. In the event of a count back, the time Billfish base receives the information from the actual team or relay vessel will be the final decision, not the time recorded on the card by the Angler.

### **Tie-breaker rules**

- 1) Fish caught on the lighter line class declared the winner.
- 2) First tag time scheds is declared the winner, as recorded at the Billfish base station, not the time recorded on the tag card by the Angler.
- 3) First fish hooked up

For example:

Two Anglers A and B

A = Sail on 10kg ; B = Marlin on 60kg - **B=winner**

A = Sail on 24kg ; B = Sail on 15kg - **B=winner**

A = Marlin on 24kg ; B = Marlin on 24kg - **first tag radioed in = winner**

A = Sail on 24kg and Marlin on 24kg; B = Sail on 24kg and Marlin on 15kg - **B = winner**

A = Marlin on 24kg and Sail on 15kg; B = Marlin on 24kg and Sail on 10kg - **B = winner**

A = Sail on 10kg tag in @ 11:00am (hook-up - 10:55); A= Sail on 10kg tag in at 11:00am (hook-up - 10:30) - **B = winner**

All Billfish tagged and submitted for points **must** be accompanied by a photograph of the fish, preferably once the tag is inserted in the Billfish. The photo may be used by the Committee to verify the estimated weight of the Billfish tagged if required.

### **Tag submission requirements**

Teams have the option to return Billfish tag cards and scoresheets to Billfish station by

- a) Billfish, Gamefish & Gene tag cards and scoresheets may be physically returned to Billfish base by 1830 hours each day.
- b) Radioing the Billfish tag cards and scoresheets in on channel 72 to Billfish base by 1830 hours each day.
- c) Phoning the Billfish tag cards and scoresheets in via satellite phone to Billfish base by 1830 hours each day.
- d) All remaining Billfish tag cards, score sheets and camera evidence not previously physically issued to Billfish base on day 1, 2 and 3 **must** be issued to the Darwin Trailer Boat Club between 1700 and 1900 hours on the 4 November 2014.

Failure to do so will result in the submissions being disqualified.

- d) All fish tags or score sheets submitted for points or prize categories must be completed in full and in a legible manner.
- e) Any late submissions will be disqualified unless there is a valid reason which Darwin Game Fishing Club reserve the right to accept or reject, no further discussion will be entered into.

### **Billfish tags**

Marlin and Sailfish will be tagged with the NSW Bill fish tags.

### **Tagging**

Anglers will tag all fish in a manner that minimises damage to the fish being tagged, the recommended area to tag fish is in the shoulder area just below the dorsal fin.

## **Boating and safety requirements**

All boats must be in a seaworthy condition and must be compliant with Northern Territory Maritime Act requirements for the areas the boat is located. All competition boats must have a working VHF radio. It is recommended any vessels not fishing inshore grounds and/or not returning to Darwin each night should retain a satellite phone on board for the duration of the tournament.

All Skippers are expected to assess prevailing weather conditions to ensure they do not expose their team or vessel to any foreseen safety concerns.

All Skippers are expected to maintain a safe distance from other boats who are hooked up to a Billfish during the tournament to avoid any accidental cut offs of hooked Billfish.

## **Radio procedures**

VHF radio will be used for the duration of the tournament and radio etiquette is expected to be adhered to by all competitors.

In the event of radio malfunction, a competitor may utilise a satellite phone as a secondary means of communication, Billfish base station – Debbie and Leigh on 0412 848267 or alternatively The Darwin Trailer Boat Club on and request to speak to Leigh or Debbie.

Emergency frequency only - channel 16

Billfish base station - channel 72

Radio skeds will be conducted on channel 72 from 0600 am until 0655 am each morning, channel 72 will remain clear from 0655 hours until lines in notification is completed by Billfish base station at 0700 hours on each day.

On each competition day, all competition boats will advise Billfish base station on channel 72 and/or satellite phone the following:

- (a) Boat number
- (b) Number of persons on boat
- (c) Amount of fuel on board

## ***Pre lines in***

Lines in is not permitted until 0700 hours on each day, which will be transmitted by Billfish base station and/or the relay boats. Teasers, bait jigs are permitted to be in the water prior to lines in each competition day.
